It is our honor to partner with residents of this community to promote healthy living through Christ centered care.

We are committed to providing superior care to our patients by ensuring access for our patients to see the provider, completing each visit in a timely manner, communicating test results and providing a plan of care for each patient. In order to do this, we must create a partnership with our patients where we can collectively manage the care for you and your family. We have established the following policies to help us to be a successful healthcare center and fulfill our commitment to the community.

- **Walk In Visits:** Visits are available Monday from 11am-1pm and 3pm-5pm as well as Tuesdays-Fridays from 9am-11am and 1pm-3pm *WITH THE STIPULATION* that if all of the scheduled appointments come in we may have to turn walk-in appointments away until the next available walk in time. These can be for **one problem** only and new patient walk-in visits will be decided based on the provider and the issue.
- **Prescription Refills:** All prescription refills MUST come from your pharmacy. Please contact your pharmacy, they will request your refill electronically. If you are out of refills you may be required to see your provider to get new prescriptions. Your signature below gives us access to your records at the pharmacy.
- **Paperwork Request:** Paperwork requests are processed as follows (NO EXCEPTIONS):
  - **FMLA Forms:** There will be a $20.00 fee upon drop off and we will have 7-10 business days to complete.

Parental/Guardian Consent for another Person to Bring My Child to an Appointment(s)

I am the parent/legal guardian of _____. His/her date of birth

Is _____/_____/_____.

I give my consent for _____ to bring my child to Shawnee

Christian Healthcare Center for his/her clinic visit on _____/_____/_____.

I understand that:

1. During the course of the visit any and all personal health information within the medical record of the child may be discussed with the representative. That is, if there is any information that may be in the child's chart that you do not want them to know, you should not sign the consent. You need to bring the child in yourself.
2. If your child has a medical condition by history or exam that warrants a follow up appointment, it will be made for your child. The provider may request that a parent/guardian be present at that follow up visit.
3. If the medical condition warrants, the provider may choose not to complete a physical form until the medical issues are addressed at a follow-up visit with the child and the parent/guardian present.
4. The provider may decide not to perform immunizations, tests, or procedures at the provider's discretion, for example if the provider does not feel that the representative is able to give enough of a medical history to provide the best care for your child.
5. Pregnancy care and sexually transmitted diseases may be treated without parental or the representatives consent as designated by state law. I further understand that confidentiality between the student and the Health Center professionals will be ensured in specific areas designated by the law and will not be discussed with the parent/guardian unless the student agrees or is determined to be a threat to themselves or another person.

In signing this, I give my consent for...

1. The representative above to sign for any necessary immunizations, blood test, or other procedures necessary for the medical care of my child upon recommendation of the medical provider.
2. To the release of relevant health information to the Shawnee Christian Healthcare Center in order to facilitate evaluation of my child's health needs. I further authorize the SCHC to release information regarding my child's treatment to third party payers or others for purposes of billing, program management and evaluation in accordance with the federal law and state law and regulations regarding confidentiality. I also give my permission to bill my insurance carrier or medical assistance for services received. For further details, see the Shawnee Christian Healthcare Center Notice of Privacy Practices.
